Thank You !!!
Your kindness may seem simple to you, but it meant everything to me.
I want to thank everyone for the kindness shown me over the past months. Thanks for the kind words, plants, phone calls, cards and delicious food. All the prayers gave me much needed encouragement, healing, and strength. Thanks to my family for everything they did to help me.
As I continue to recover I thank God for each one of you for being in my life and for caring.
Carol (Gracie) Slettedahl
